NWR RAP reconstruction rating points shall be assigned on the basis of forty points for structural condition, forty points for geometrics, ten points for traffic volume, ten points for traffic accidents, five points for any project on a major collector (07), and ten points for any project on a rural principal arterial (02) or a rural minor arterial (06). Prioritization of NWR projects shall be on the basis of total NWR RAP rating points shown on the project worksheet and the prospectus form of the project application.

NWR RAP 3R rating points shall be assigned on the basis of thirty points for structural condition, twenty points for geometrics, ten points for traffic volume, ten points for traffic accidents, ten points for any project on a minor collector (08), and thirty points for 3R safety. Prioritization of NWR 3R projects shall be on the basis of total NWR 3R RAP rating points shown on the project worksheet and the prospectus form of the project application.
